## Message from the Head

The children are the most important part of any school and Newtown is no different. The importance of 'pupil voice' has never been more prioritised in education and as such, this year, we will be continuing with our school Houses of Parliament.

It has been wonderful to read the children's applications for roles in the School Cabinet and it gives me great pleasure to share with you our School Parliament for this academic year. We will meet formally every half term and certain children will be asked to complete various tasks throughout the year.

## Newtown House of Parliament

After receiving numerous applications for a variety of ministerial roles at school, I am pleased to share with you our School Parliament for 2023/24.

## Parent Governor

Would you like to play a key role in moving the school forward? As a parent governor, you would work with the Governing Body to ensure it effectively carries its duties and also play a vital role in ensuring that the Governing Body is connected with, and is aware of the views of, parents and the local community.

If you are interested, please read the attached letter and get in touch accordingly.

## Kestrel Class Forest School

We enjoyed a great – if extremely wet – first afternoon in Forest School this week. Please note that next week, we will be having our Forest School session on Tuesday instead of Wednesday. This is a one-off.

## Safeguarding Attendance – EWO Update

This week we have been visited by the Education Welfare Officer (EWO) who monitors school attendance across the local authority. Attendance is a real focus for the Department for Education and Local Authority and our EWO reiterated the importance of attending school from both a safeguarding and academic perspective. It really is so important that children are in school as much as possible and we really appreciate your support in this as we target 97% attendance across the school year.

### U11s Football

This week our U11 football team hosted Baschurch on an extremely wet Wednesday! Despite the challenges conditions, the team played with great determination and teamwork and despite losing the match, could leave with their heads held high after giving all they had! Well done all – I was very proud of you.

### School Social Media

We are about to launch an Official School Facebook page which will allow us to share and celebrate all the wonderful things we do at school with the outside world.

Please look out for a permission form which will be sent out as on this page we would like to share pictures of the children.
