Message from the Head

We are looking forward to welcoming parents to school this week for our Autumn Parents Evening. It is an opportunity for teachers to share with parents both areas of strength but also any areas where we feel they may require additional support.

We hope that you find it informative, useful and that you have enough time to have any questions answered. If, however, you don't have enough time, please get in touch via Class Dojo or the school office to arrange an additional meeting. Many thanks.

Winter Weather and School Closures

As we approach the winter season, we understand that there is always a possibility of inclement weather that could impact the school's ability to open safely. While we strive to keep the school open whenever possible, the safety of our children and staff remains our top priority.

When making the decision to open or close the school, we carefully consider various factors, including:

- Weather forecasts: We closely monitor weather forecasts from reputable sources to assess the severity and timing of any potential weather events.
- Local road conditions: We evaluate the condition of local roads to ensure safe passage for students, staff, and bus drivers.
- Staff travel distances: We consider the distance that our staff members travel to and from school, ensuring that they can safely commute in adverse weather conditions.

We recognise the disruption that school closures can cause to families' schedules and the potential impact on students' education. However, if we determine that school closure is necessary, we will promptly inform parents via email, text message, and our school's Facebook page. We will strive to make this decision as early as possible to allow families ample time to make arrangements.

Nursery Stay & Play

We enjoyed a lovely afternoon on Friday welcoming both current Nursery and Reception children to our Forest School area but also children who are interested in joining our school in the future.

The next Stay & Play session Friday 8th December before our Stay & Play session for this term end with a Christmas Special on Friday 15th – Please spread the word about these sessions as they are a great way for perspective parents to come and spend time at Newtown and see what the school is all about.
